

More Enlightened.

Feelux NDPro, HDPro and MonoRailPro

Love your light even more. Specify HDPro for linear perfection with high output; NDPro (Light + Building 2016: Design Plus Award Winner) with seamless spot free illumination; and Red Dot Award-winning MonoRailPro. All feature no LED hot spots, even light output, 90+ CRI for high color rendering, and are energy efficient.

Illuminate your thinking at feeluxlighting.com.
